1996 MEMBERS' REPRESENTATIONAL ALLOWANCE

As provided in the following resolution and computed on the basis outlined below, the representational allowances for the Members of Congress as of the date of this publication are contained in this public report.

COMMITTEE ON HOUSE OVERSIGHT RESOLUTION

Disclosure of Member Allowances

(Adopted on December 13, 1995)

1 *Whereas*, the formulas for computing the allowances available to Mem-
2 bers of the House for operation of their individual offices, and the
3 amounts of the allowances so computed, have never before been pub-
4 licly disclosed.

5 *Whereas further*, appropriations for such allowances are from revenues
6 received from the American public who should be entitled to disclosure
7 of such information.

8 *Be It Therefore Resolved*, that the Chairman of the Committee on House
9 Oversight shall make available at the Committee for public inspection
10 the amount of each Member's Representational Allowance for the sec-
11 ond session of the 104th Congress, including the amount available for
12 official franked mail, and the formulas upon which such allowances are
13 computed.

14 *Resolved further*, that such amounts shall, at the direction of the Chair-
15 man, be published in the quarterly report of disbursements for the
16 House.

MEMBERS' REPRESENTATIONAL ALLOWANCE

The 1996 Members' Representational Allowance is calculated based on three components:

1. Standard clerk-hire figure for all Members: \$579,760
2. Official expenses formula which varies for each Member based on the following:

- A base amount of \$122,500;
- The dollar equivalent of $64 \times$ the rate per mile multiplied by the mileage between the District of Columbia and the furthest point in the Member's district, according to the Rand McNally Standard Highway Mileage Guide, plus ten percent. The following rates per mile apply:

Under 500 miles	\$0.39
At least 500 but less than 750 miles	.35
At least 750 but less than 1,000 miles	.33
At least 1,000 but less than 1,750 miles	.32
